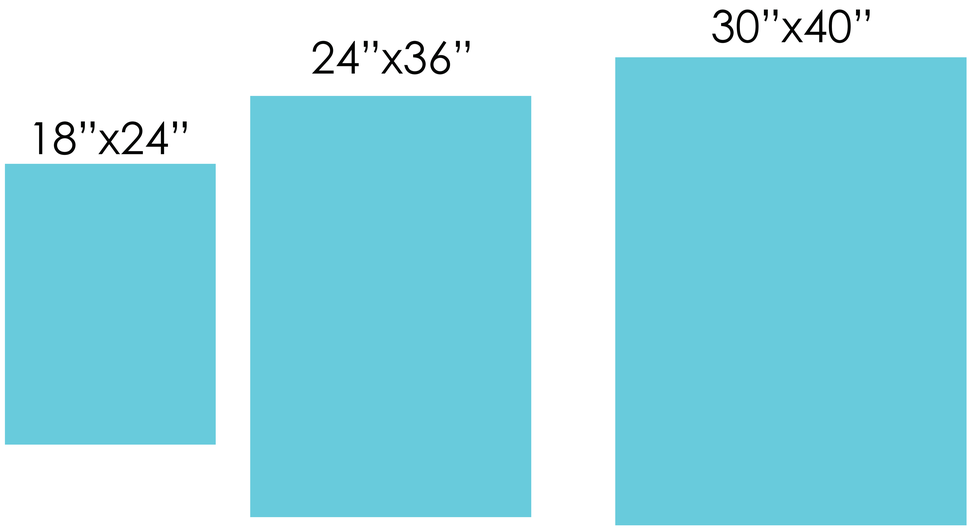
Instructions 3/16 Foam Board Templates



Submitting Files for 3/16 Foam Board Prints

Step 1: Choose Your Template Size

Select the appropriate template size for your project: 18x24, 24x36, 30x40. Templates can be set up vertical as shown or they can be rotated 90 degrees and set up horizontal.

Step 2: Extend Your Artwork

Extend your artwork to the edges of the template box to achieve full coverage. No blead needed

Step 3: Use CMYK Color Space

Submit your design in CMYK color space for accurate color reproduction.

Step 4: Prepare Fonts

Convert all live fonts to outlines or curves to ensure vectorization. This eliminates the need for font files.

Step 5: File Format

Save artwork in PDF forma.

Step 6: File Naming

Name your file as: "Your Name foam board" This ensures we can match it with your online order.
File Types:
.PDF

Step 7: Submit Your File
